Just getting started on their career at C. T. H. S. are the Freshmen who are by no means "green." They know just where they're going and what it takes to get there. The "Freshies" organized about the middle of the term and chose Miss Lohr and Mr. Terebus as their guiding lights. As an activity these students sold tickets to the "Swanee Minstrel." They plan to hold a skating party during the summer vacation.

FOOTBALL

The Conemaugh Township Indians started off the 1949 season with four veterans, a new coach and a host of eager candidates. The final whistle at Somerset rang down the curtain on the most successful season since the building of the school. Not only did the Indians make the best record with eight wins and one loss, but completely outdistanced previous

honors received by the team.

In league competition C. T. H. S. placed first in the Mountain Conference battle and tied with Conemaugh for second place in the Western Conference hook-up. Three C. T. H. S. players gained places on the Tribune All-Star teams, Lockie Boyd and Anthony Cugini on the first squad and Gib Davis on the alter-

nate team. As a final achievement, Coach Steve Terebus received the Dapper Dan Award for Coach of the Year.

Of the eight regulars that played their last game for Conemaugh Township Lockie Boyd and Gib Davis stand out as the most effective 1-2 punch in the District. A big man on anyone's team, Anthony Cugini impressed both player and coach as the player to watch. The aggressiveness of Earl Sleek and the durability of Albert Kaltenbaugh made the left

side of the line a stone wall. Ram Mlaker, line general and spark of the team, and George Rahab, brilliant defense man rounded off the forward wall which was a coach's dream come true. The Indians' most underrated player, Paul Wasnick, while outshone by most of his famous running mates, was never outplayed or outfought by any member of the team. The 1950 team will be strengthened by the three veteran underclassmen, Pellatiro, Lybarger, and Pepoy.

I'm out tic-tacking everyone.

Next morning I wake up in jail.

The world today is in great confusion. We are in a race against time. Are we on the road to totalitarianism or democracy, regimentation or freedom, materialism or spirituality?

As a guiding force, our schools try to teach and inspire our pupils to become spiritually fit and mentally able to govern themselves wisely. Our hope is that we have taught rightly and effectively—"kindness in the home; honesty in business; helpfulness in society; burden-bearing in work; forgiveness towards the penitent; hope towards the unfortunate; self-discipline towards ourselves; *self-sacrifice and service towards the state and nation*; a way of life towards humanity; reverence, love and obedience toward God."

Our faculty and student body have worked together toward these ends and have done several outstanding pieces of work. But there are many more jobs remaining to be done. We shall attempt them as soon as possible. May I express my thanks and appreciation to the teachers, students, school board and all others who so willingly made their contributions to these efforts.

G. W. STEPHENS

PRINCIPAL

COMMENCEMENT—the goal of every high school student is rightly named. High school graduation is not really the end but the beginning—a key to the door that opens to continued learning, new experiences, mature activities, worthwhile work. To consider graduation more than an opportunity is to invite disappointment and frustration.

In high school it is important that we choose wisely, accept responsibility, grow strong, and work and play co-operatively with our fellows. These same qualities will stand you in good stead after May 22, 1950.

*"Oh Conemaugh with spacious halls and
campus bright and green,
Our fondest memories will remain in each
endearing scene."*

Always we wish for you the best of life in the years that are to be.

NOVEMBER

My mother is thankful for health and home
My father for earth and sky,
And what am I thankful for? you ask—
For turkey and pumpkin pie.

SENIOR PLAY

SITTING (Left to Right)—M. Barndt, H. Kalmanir, G. Davis, D. Negast, G. Harrison, M. Cochrane, R. Young, and I. Smith.
STANDING—H. Rayman, S. Magdelinic, L. Hironimus, H. Kring, A. Cugini, H. Oppy, P. Infantino, D. Mishler, and C. Williams.

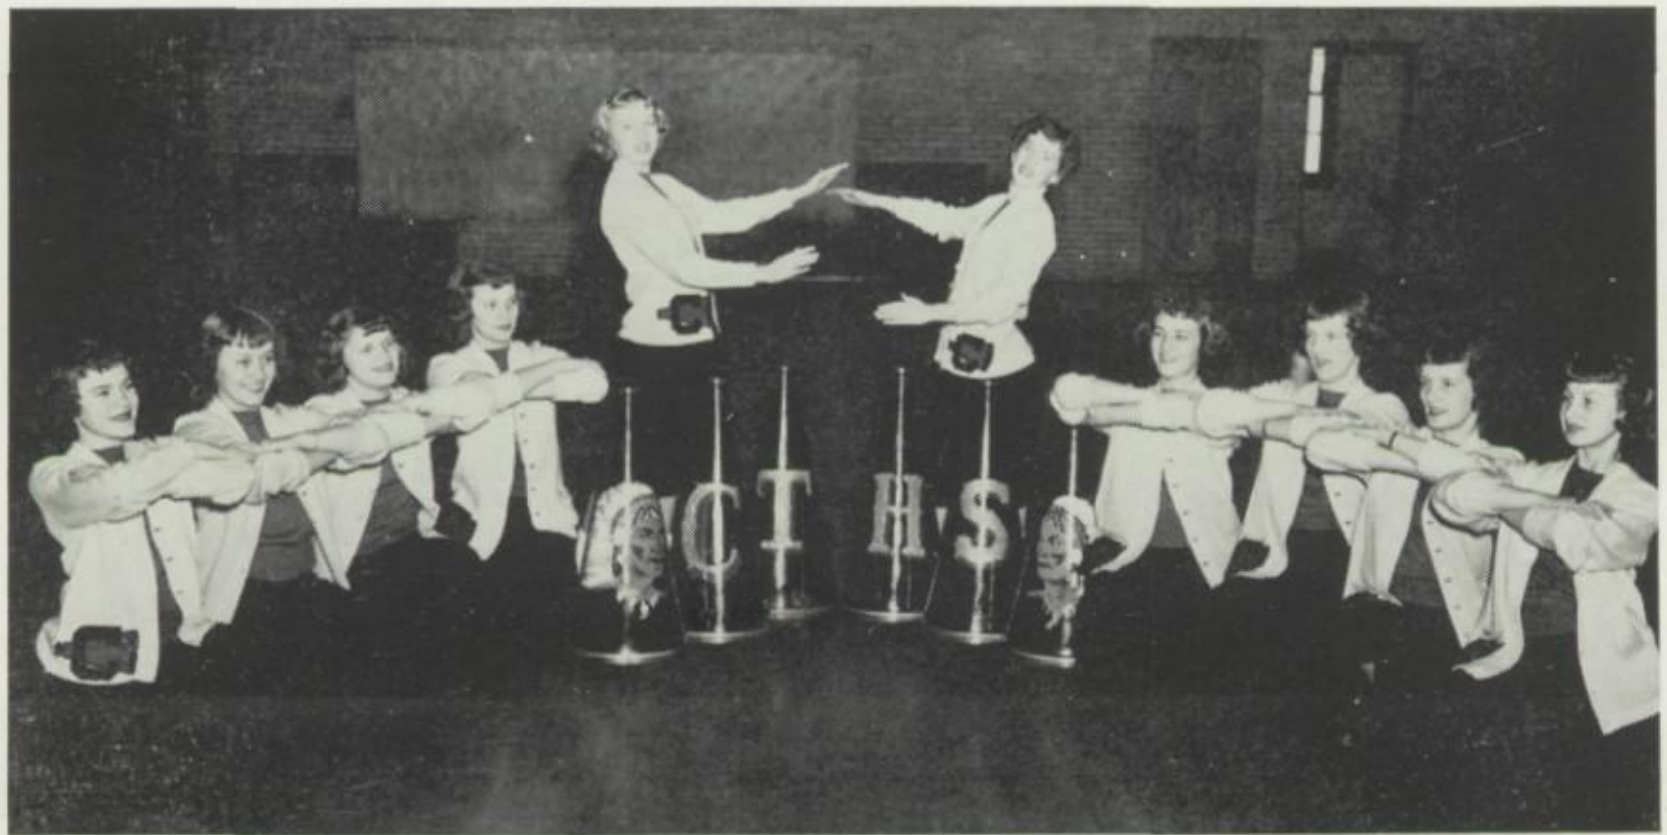

It was a "January Thaw" only this year it happened in November when the Seniors presented their hit production.

The Gages, well-to-do New Yorkers, bought a country home in Connecticut believing that the old fashioned Rockwoods, previous residents, were dead. But the Rockwoods came back, upsetting the quiet Gage home. After a bloodless revolution peace was made and every one was happy.

CHEERLEADERS

SENIOR HIGH CHEERLEADERS

P. Meyers, J. Racosky, J. Sleek, J. Butchko, A. Deihl, S. Masciocchi, D. Cugini, J. Fochtman, J. Fochtman, J. Lubas.

JUNIOR HIGH CHEERLEADERS

TOP—P. Cochrane, M. Pike, W. Kosco, F. Pipta, S. Zimmers.

HEAD CHEERLEADERS

S. Masciocchi, A. Deihl.

Our ten snappy cheerleaders brought school spirit up with a bang this year. In new white jackets, they took part in the Annual Cheerleading Contest, held by Southmont, last year's winners. The girls enjoy cheering and have learned that . . . cooperation is a must!

AGRICULTURE

This organization, headed by Mr. Ifft, helped to acquaint all the future farmers with new methods of farming. These boys gave willingly of their time to beautify the grounds of the high school by planting shrubs, flowers, and trees.

ATHLETICS

These young lads received training in all the fields of sports. Coaches Kelly, Shank, Spory and Fuller taught the importance of good sportsmanship and also the necessity of observing all rules carefully. Having accomplished this, these boys will be Conemaugh Township's future athletes.

ART

This is Conemaugh Township's crop of artistic talent. They can draw anything from a sketch to a portrait and may produce another Rembrandt some day.

President—Walter Skladanowski
Vice President—Mary Morris
Secretary—Jerry McLucas
Treasurer—John Szala
Advisor—Miss Spires

AVIATION

These young lads may become the aviators of tomorrow. The entire club period was spent building model airplanes. Not only did they build model airships, but they also spent some time dreaming of the future.

President—Alan Baer
Vice President—Bill Tremain
Secretary-Treasurer—Richard Horner
Advisor—Mr. Mollura

BOOK

You may think that checking shelves, rebinding and rearranging books isn't much fun, but this active group of girls enjoyed it very much. Mrs. Shirk, the librarian, taught them all the uses of the library. They even managed to find time to read a few books. How they did it is hard to say.

President—Cora Cable
Vice President—Eunice Davidhizer
Secretary-Treasurer—Janet Custer
Advisor—Mrs. Shirk

CLOTHING

As you entered the sewing lab during club period, the busy hum of sewing machines was heard. The girls designed and sewed their own clothes and became quite expert in this field.

Treasurer—William Fisher
Advisor—Mr. Blough

CRAFT AND MERIT BADGE

The Handicraft and Merit Badge Clubs were combined into one large group under the leadership of Mr. Boucher. The Handicraft group spent their time in carving soap and wood. The Merit Badge Club was made up mostly of Boy Scouts. In order to earn their badge they had to complete a home project.

JUNIOR HIGH DANCING

Valentine Dance

All who attended will long remember the terrific "Queen of Hearts" Dance the Seniors sponsored on February 11, 1950. In the midst of hearts and cupids students danced to the music of Duke Andrews. A special feature of the dance was the reign of three queens elected by each of the Senior High School classes. Sally Chynoweth, a senior, who later represented Conemaugh Township High School at the Maple Festival at Somerset, was elected "Queen of Hearts." Shirley Thomas, a junior, and Joan Gimroth, a sophomore, were queens for their respective classes.

To the right we see Lillian Rogalla and Helen Shubic doing the "huchie-kuchie" just typically of their part in the Junior Class Play, MEET ME IN ST. LOUIS.

With their devilish antics, Lillian Rogalla, Helen Shubic, Lois Mae Blough, and Sara Masciocchi, the four sisters, cause their mother and father many a gray hair.

Sara Masciocchi and Lois Mae Blough, the two youngest sisters, really spark plug this active quartet.

 Why did he bring the mumps.

SENIOR HIGH CHORUS

Among the outstanding activities of our Senior High School Chorus, was the production of the Operetta, "Meet Arizona." Under the direction of Miss Shaffer this large group of mixed voices met for rehearsals once a week. This year our school was host to the All-County Chorus in which both Junior High and Senior High Chorus took part. Our chorus was represented by twenty-one members.

Even though their activities were somewhat limited, our Senior High Ensemble, composed of twenty-four voices, was one of the best in the history of the school. Miss Shaffer devoted much of her valuable time to perfecting this excellent group of singers.

SENIOR HIGH ENSEMBLE

JUNIOR HIGH CHORUS

In preparation for taking part in the Senior High School Chorus, our Junior High singers blended their voices in the All-County Chorus program and in assemblies. The librarians of this one hundred and fifty-two voice group, directed by Miss Shaffer, are Darlene Rotruck and Esther Yoder.

Thirty of our best Junior High girls formed the Junior High Ensemble which presented numerous enjoyable programs at assemblies. Miss Shaffer is preparing these girls for future participation in musical affairs. Nancy Greninger proved an able accompanist for the group.

CHOIR

Miss Blanche Shaffer and her outstanding choir won high acclaim not only in our school but throughout the entire district for their beautiful rendition of sacred compositions.

QUARTET

For as good as they were, we didn't hear enough from this silver-toned boys' quartet, composed of Frank Uranker, William Riley, Dwight Mishler, and Leonard Pellatiro.

SENIOR GIRLS' TRIO

In addition to entertaining the student body many times, this Senior High Girls' Trio sang at club meetings in Johnstown, Jerome and other towns. These singers are Mona Fish, Mary Kathryn Hackey and Esther Jarvis.

JUNIOR HIGH TRIO

We like them! So did the Johnstown Lions Club when they sang at the Lions' meeting. This Junior High Girls' Trio includes first soprano, Jane Thomas; second soprano, Grace Blough, and alto, Nova Jane Head.

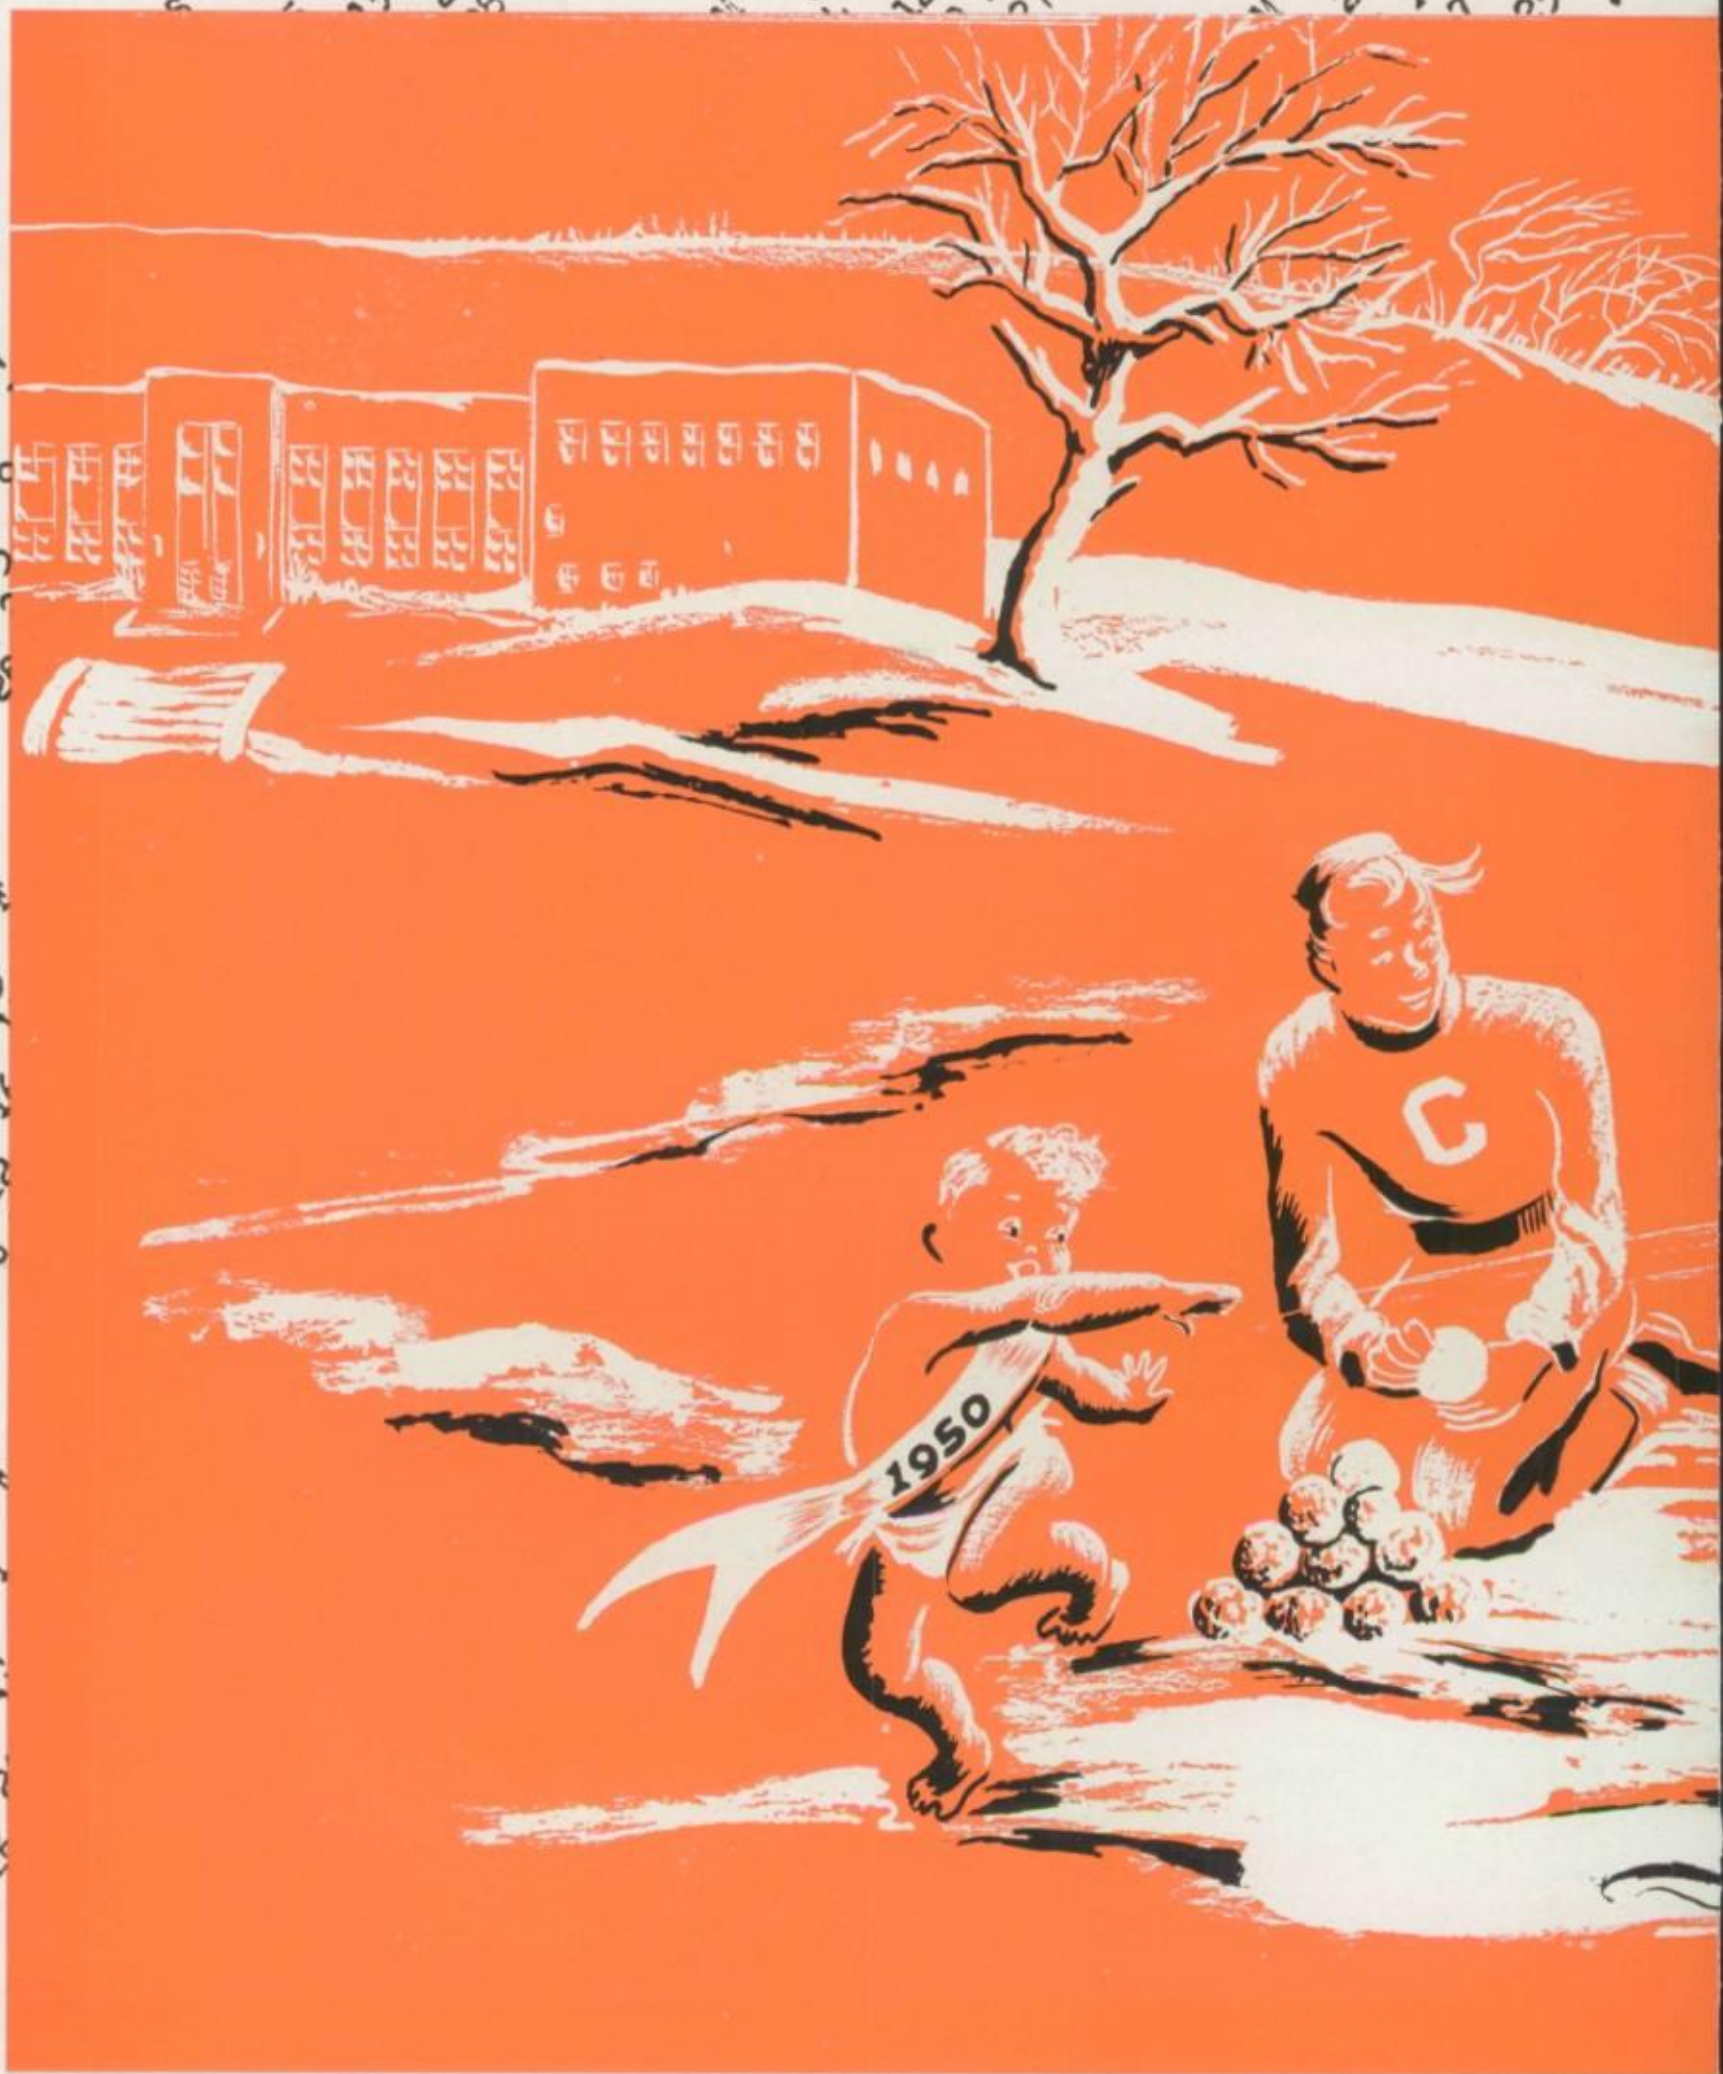

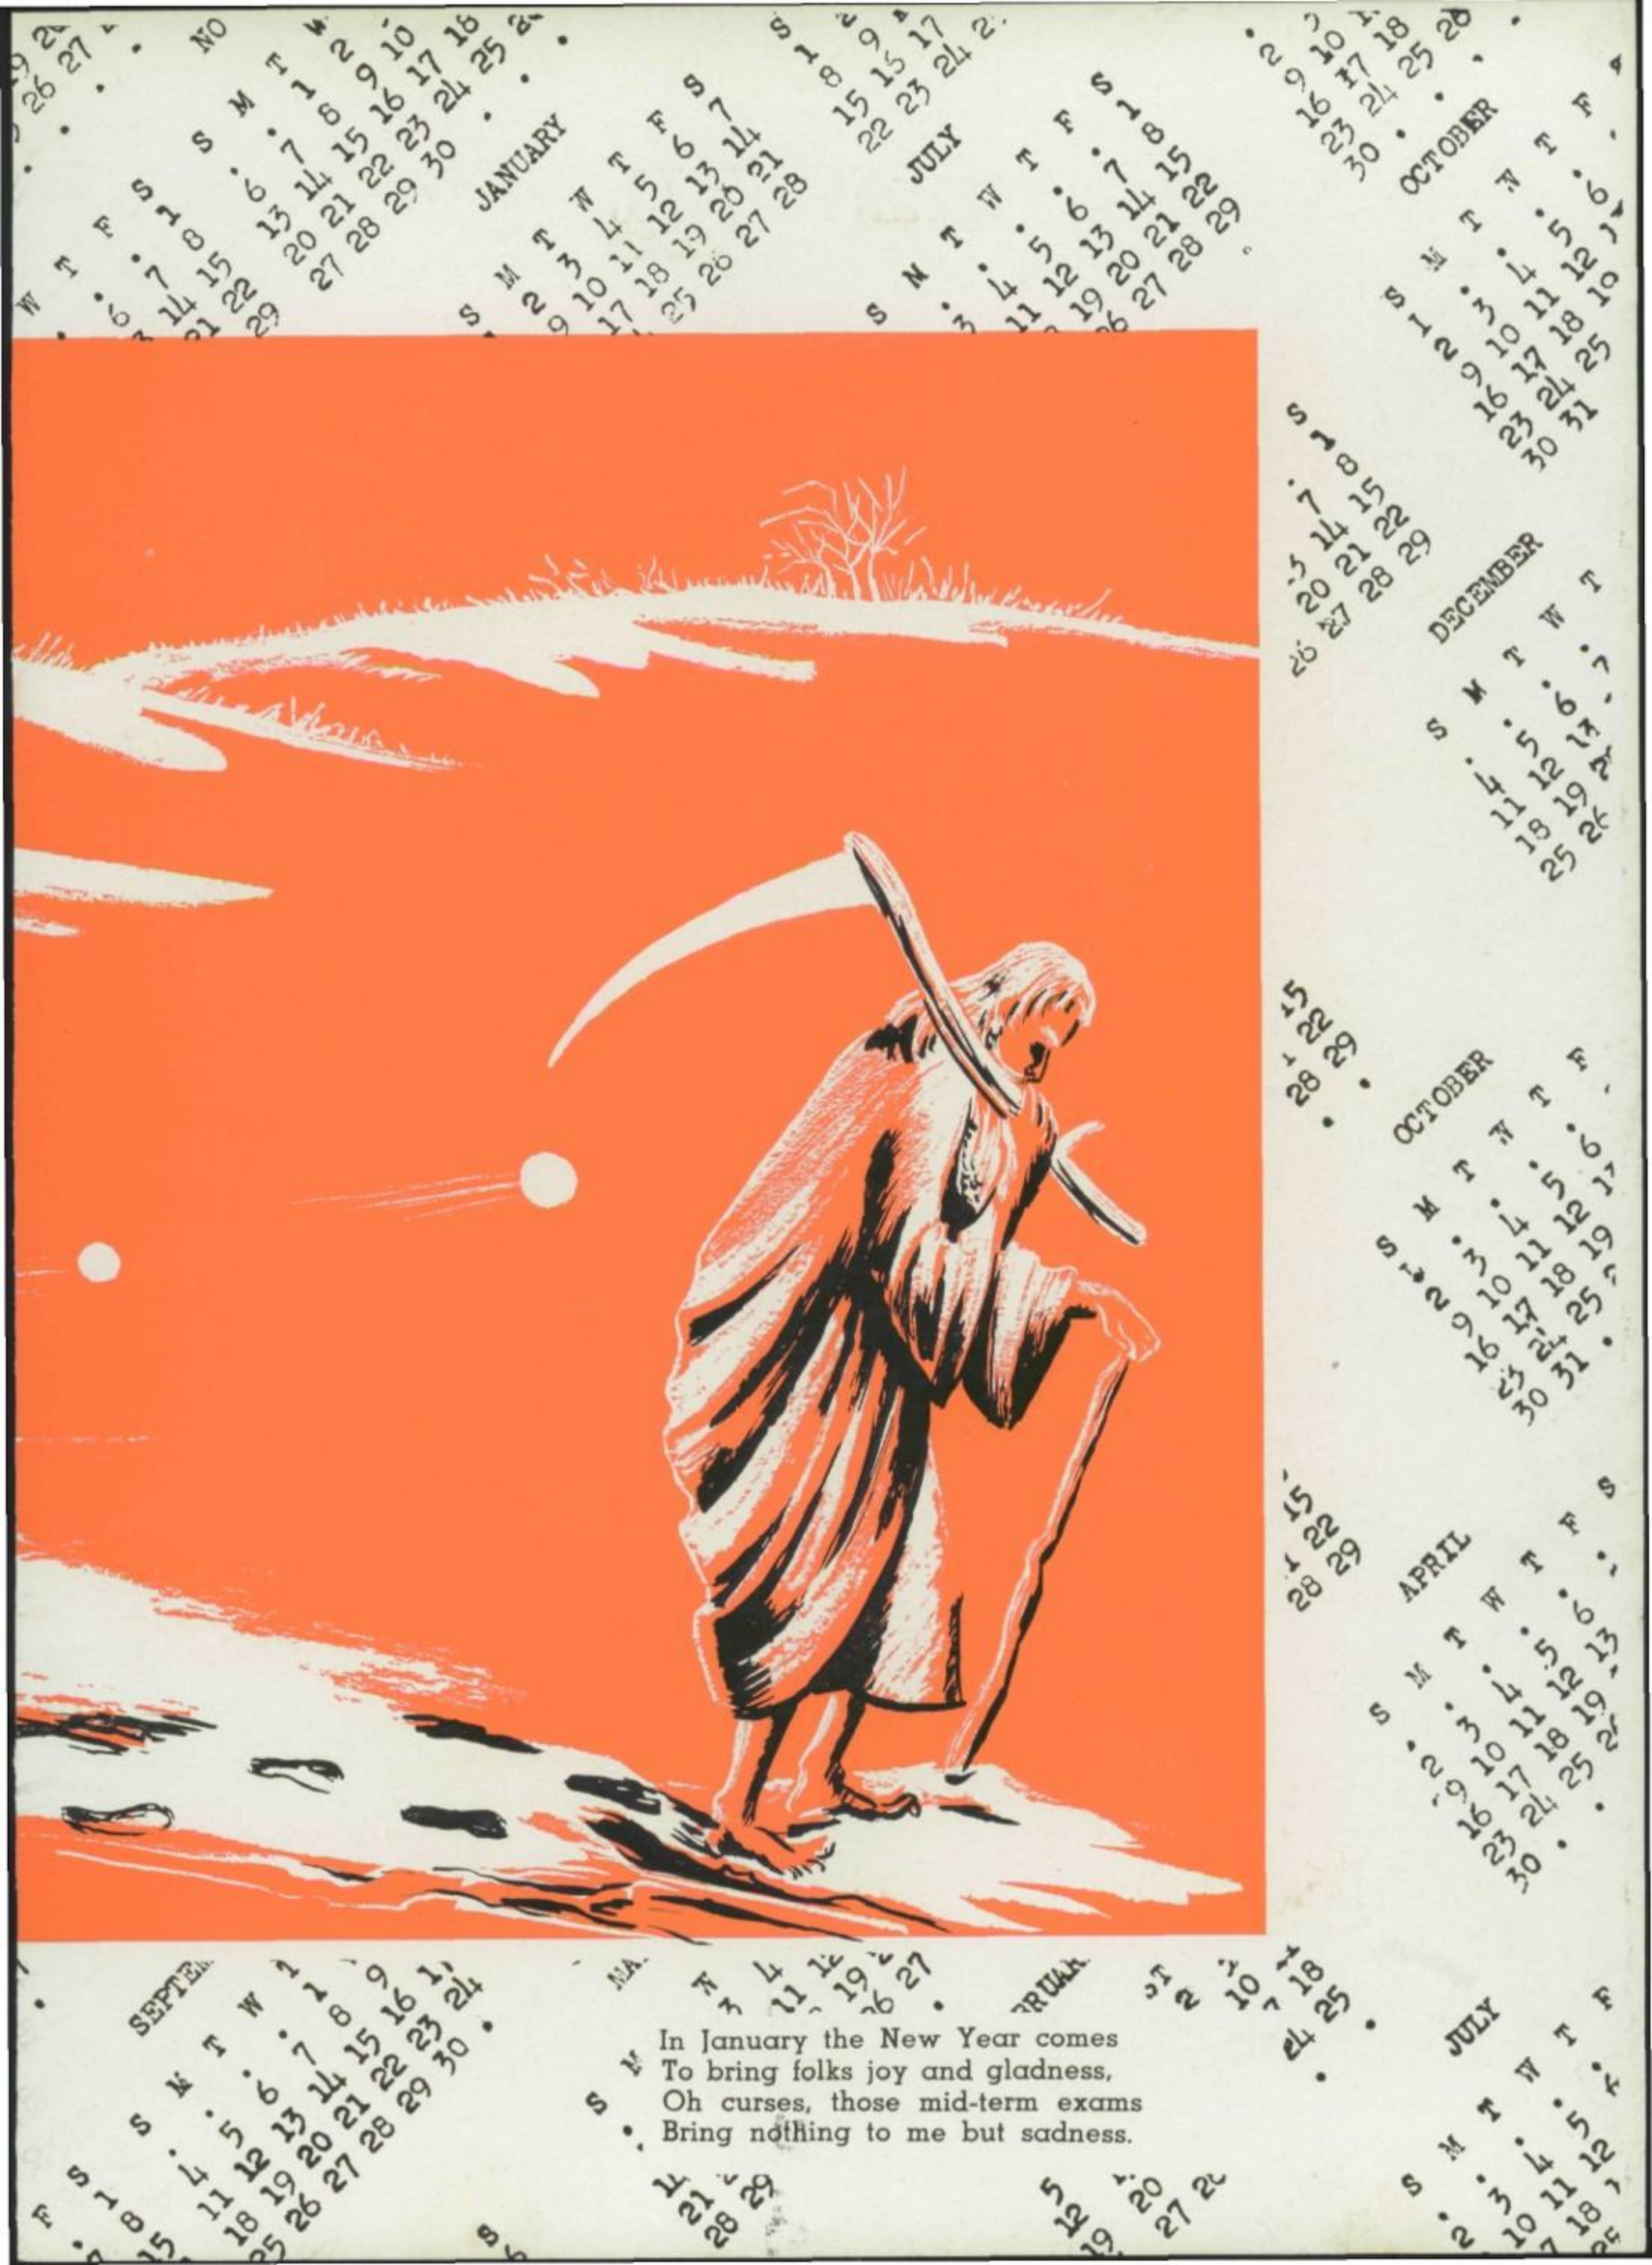

PIANIST

Martha Barndt, our pianist, who accompanied the outstanding choral groups throughout the year, also found time to devote her efforts to church activities. She was never too busy to find time to accompany any singer.

Oh curses, those mid-term exams
Bring nothing to me but sadness.

The Conemaugh Township cage team, coached by Walter Shank, had an unlucky season with 9 wins and 12 losses. After winning 6 out of the first 9 games the Indians proceeded to drop 9 out of the last 12. The Braves had some very tight games, losing to Somerset 38-39 and Ferndale 43-46 and defeating Windber 48-46 and Boswell, 50-48. The worst loss suffered was at the hands of Westmont 30-55. The bright spot in the long string of defeats was the win over a highly touted Windber team which had previously defeated Conemaugh. Of the first six varsity players four boys played their last game for Conemaugh Township: George Rahab, one of the smoothest ball handlers in the District, Anthony Cugini, hot-handed pivot man, George Harrison, playing for the first time after his leg injury and Paul Wasnick. The first string underclassmen who will form the backbone of next year's team are Don Coughenour, Len Pellatiro, and Frank Urankar.

RIVER EDUCATION HAS FINE RECORD

Since 1936 Driver Education in the secondary schools of Pennsylvania has been making a notable contribution to the State's program of Highway Safety Education. At present 17,185 students in 225 schools are enrolled in courses which teach our youth to operate motor vehicles safely and efficiently. The progress and results of instruction have for so long been engaging the attention of all agencies concerned with conservation of resources.

To facilitate study of the record of education in the secondary schools of Pennsylvania, the Department of Transportation has authorized the following procedure for the issuance of revenue stamps to those students who have enrolled in Driver Education courses. The Department will forward applications for revenue stamps to the principal or other designated official of each school conducting such courses will forward in the envelope provided all applications to Mr. Willard Ziegler, Executive Assistant, Revenue Department, Harrisburg, who will have sole charge of processing them.

STUDENT COUNCIL

September 27, 1949 was the date for the first meeting of the Student Council and also the beginning of their many activities which have been greatly appreciated by the student body. Improving hall conduct and the appearance of the girls' rooms was the first project. They took care of selling school supplies and at Christmas decorated the halls of Conemaugh Township High School. The Senior Memorial Plaque, which lists the donations from each of the graduating classes, was finished this year. Also it was through their persistent efforts that clubs were started in January, 1950.

"CONNUMACH STAFF"

Editor Ann Keafer and Associate Editor Louise Croyle look amused as they discuss new ideas for page make-up.

The business staff carefully add their credit and debit columns. This must be done carefully in order to successfully finance the CONNUMACH.

Ann Keafer explains to the editorial staff what write-ups are necessary and WHEN!

The typing staff gets a first glimpse of yearbook information as they type all the write-ups and identifications.

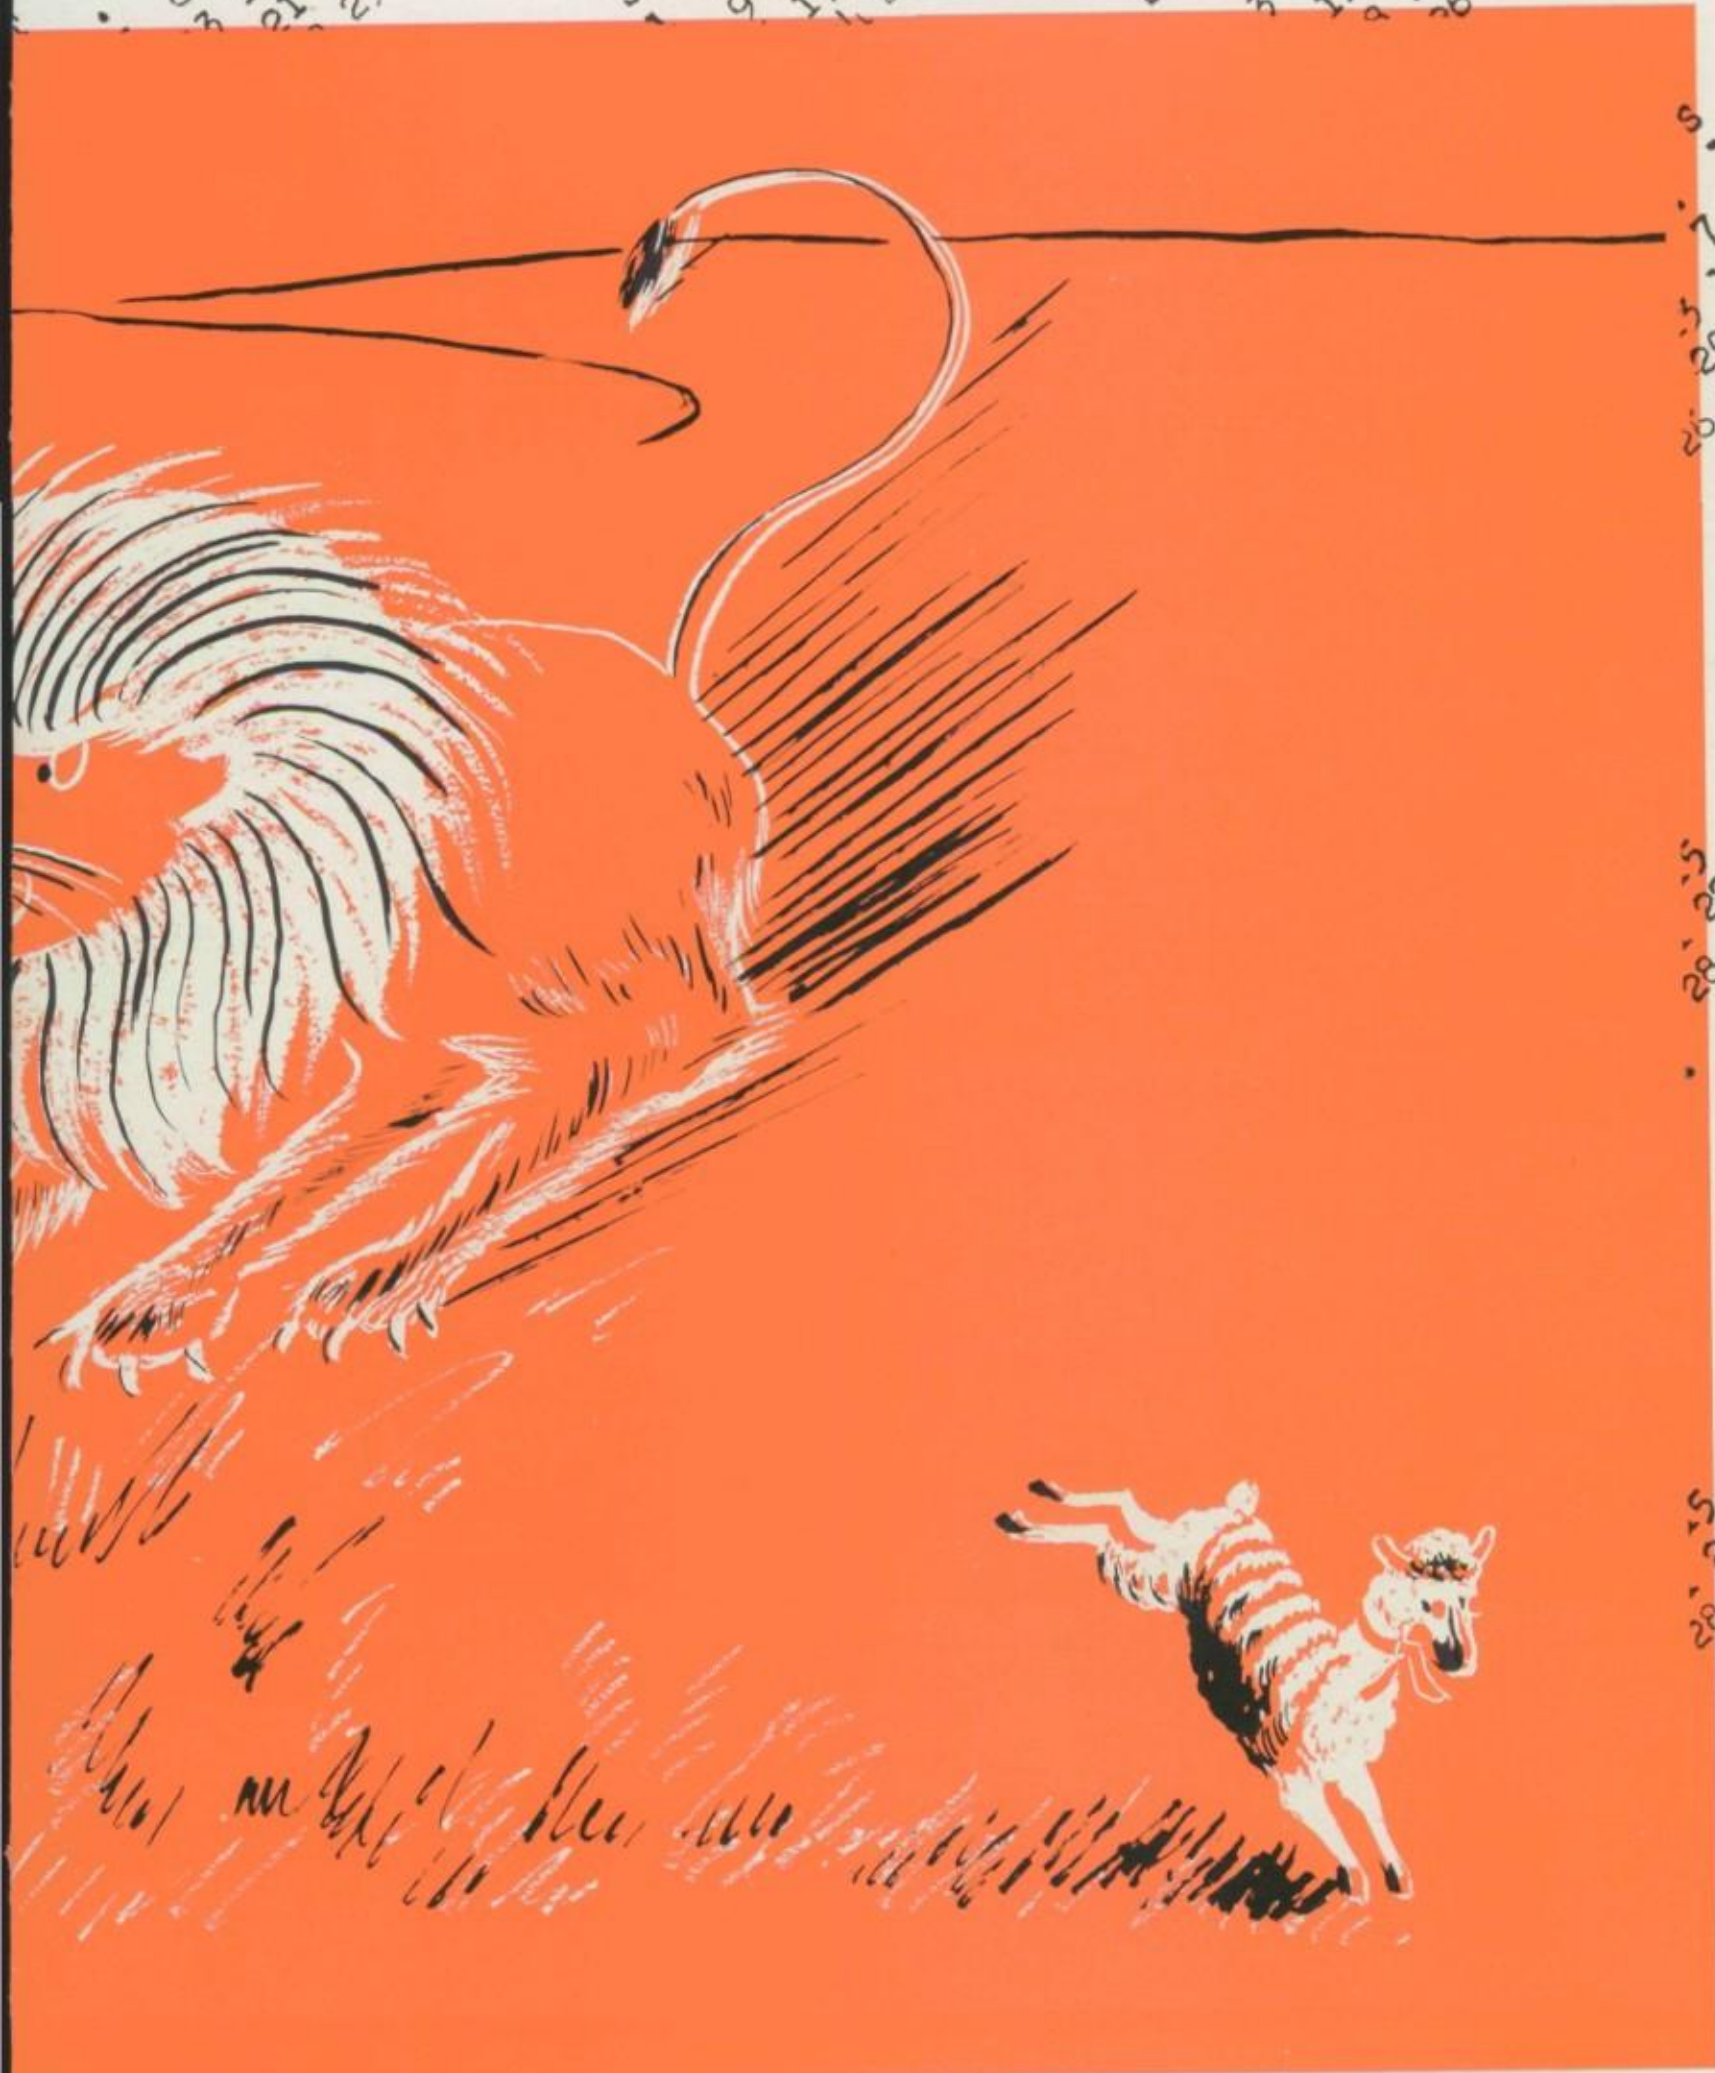

What an assortment of pictures this photography staff uses! However, all these pictures form an interesting story of the school term.

This small art staff proved that without quantity there can be quality. They planned the lay-out for the entire book.

The CONNUMACH advisors gave their undivided attention to any and all problems that arose.

WRESTLING

After a slow start the Conemaugh Township grapplers under Coach Jim Spory settled down to a successful season of 7 wins, 2 losses and 1 draw. The Indians dropped 2 out of the first 3 meets then went through the rest of the season undefeated. Conemaugh Township recorded double wins over Boswell and Windber, defeated Bedford and Kiski in single matches, and tied the first and won the second with Johnstown. In District 5 tournament at Bedford, which was won by Bedford, Horne in the 95 lb. class and Mlaker, 165 lb. class, won for the Indians. Six seniors graduate from the Varsity, leaving eight underclassmen with four or more matches experience. The seniors are: Gib Davis, Lockie Boyd, Ram Mlaker, Sam Reinholtz, Bob Farris, and John Kubasik. BASEBALL

Under Coach Walter Shank's management the 1949 baseball team showed a marked improvement over the 1948 season. In the final game C. T. H. S. edged Windber to tie that team for second place in the Tri-County league's Section 1. Big name for the Braves in this game was Stan Dahoda, pitcher. While allowing only 2 runs on 4 hits, his mates garnered 3 runs on 7 hits. This tight 3-2 score is an example of most of the games C. T. H. S. played. The Braves bowed to Richland 6-5, Windber 4-2, and nicked Cone-maugh 8-7. These scores show that the Indians are fighting to become a power in the Tri-County league. Along with Dahoda the spotlight was focused on Ray Miguet, the Indians' hitter who usually played in the clean-up spot. C. T. H. S. again used the field in Jerome, which was provided by the Jerome American Legion.

Starting line-up for the Indians:

Maguire—second base
Lebda—left field
Martnishn—center field
Miguet—shortstop
Sendek—catcher
Foreback—Third base
Shubic—first base
Dahoda, Plasay, Nickanow or Fochtman—pitcher

The 1949 track team, under the direction of Coach Robert Kelly, enjoyed a very successful season.

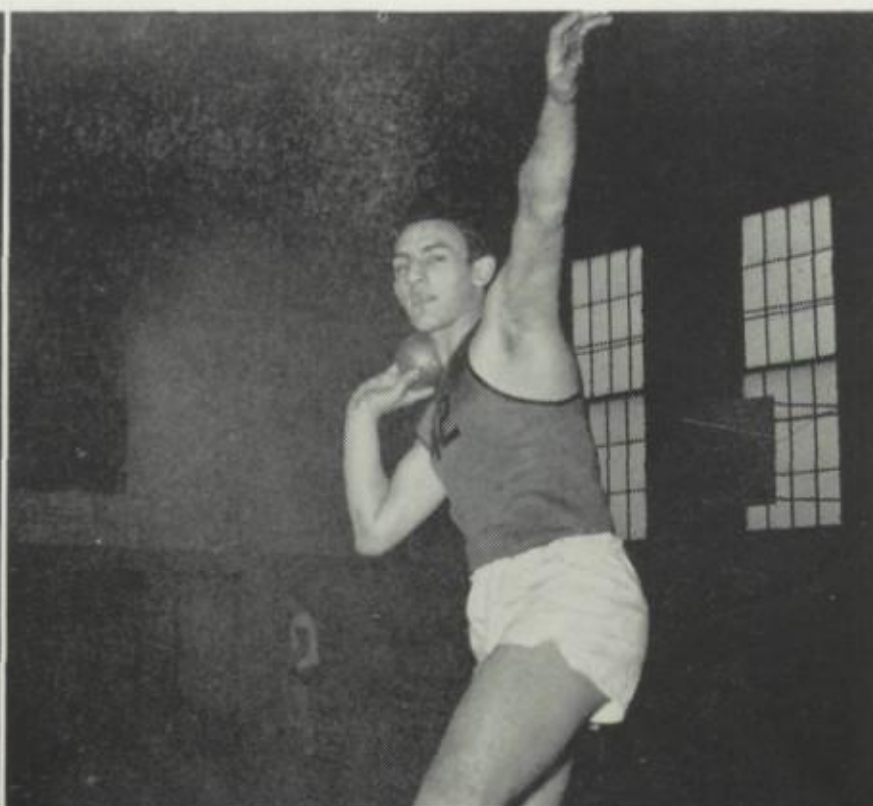

After preliminary training to condition the boys, a practice meet was held with Somerset for the purpose of aiding in selecting a Varsity team.

During the season the Indians won three meets and finished second in another. In the Junior Pitt Meet, held on the Cochran track, the Indians captured two trophies. They won the class B meet and the Medley Relay, for which a special trophy was given.

The Tri-County Meet found the Indian cindermen finishing second to Johnstown. In this meet Boyd and Wasnick captured first places.

The District Five Meet was the highlight of the track season. After reigning nine consecutive years as champions the Indians were dethroned by Somerset in 1948, but a determined 1949 team was able to recapture the title. This gave the Indians ten district titles in eleven tries. Paul Wasnick, Lockie Boyd and Bob Virgin were the high scorers for the season.

Wasnick and Pepoy entered the State meet at State College. Wasnick finished sixth in Class A competition.

OFFICERS

G. Harrison, Vice President; J. Kubasik, Secretary; A. Keafer, Treasurer; D. Foreback, President.

Seems like only yesterday that they were frightened little seventh graders. Just some more proof that old man time sneaks up on you before you know it. Cooperation has been the watchword of the Seniors from their Freshman year on through to their Senior year. Guided by the magnificent leadership of Mrs. Ward and Mr. Greninger, the Class of '50 sponsored the Senior Play, Valentine Dance, a skating party and a movie.

DEANS

Congratulations, People of the year! Even though you are now leaving C.T.H.S., the fine cooperation and spirit shown by each of you in the past will not be forgotten. Strive to maintain these desirable traits and continue to work together in all that you may do in the future.

I wish you success in the vocation you have chosen and extend to you all very sincere wishes for a peaceful and happy life.

—RUTH WARD

Class of 1950, I am sure that many of the joys and pleasant experiences I have had working with you can never be duplicated. I feel sad when I think of your passing from our doors, but I would not have it otherwise. You are receiving the reward that you so justly deserve.

CLASS HISTORY

Time it is for the Seniors to start reminiscing about their six school terms at Conemaugh Township High School. To get a better picture of these school day memories let us flash back to our first year at C. T. H. S.

1944-45. The September of that year took on a new meaning for us. Going to the big high school was going to be exciting. It took a few months until our confused minds were cleared and we no longer needed to search frantically for our class rooms or spend five minutes opening our lockers. Although we missed the recesses and the long lunch hours of grade school, we had gradually blended in with high school routine when the term ended.

1945-46. Back again we came for more readin', writin' and 'rithmetic, this time with more confidence. We studied industriously, as only noisy shuffling eighth graders can, looking forward to the time when we would be upper-classmen playing an important role at Conemaugh Township High School.

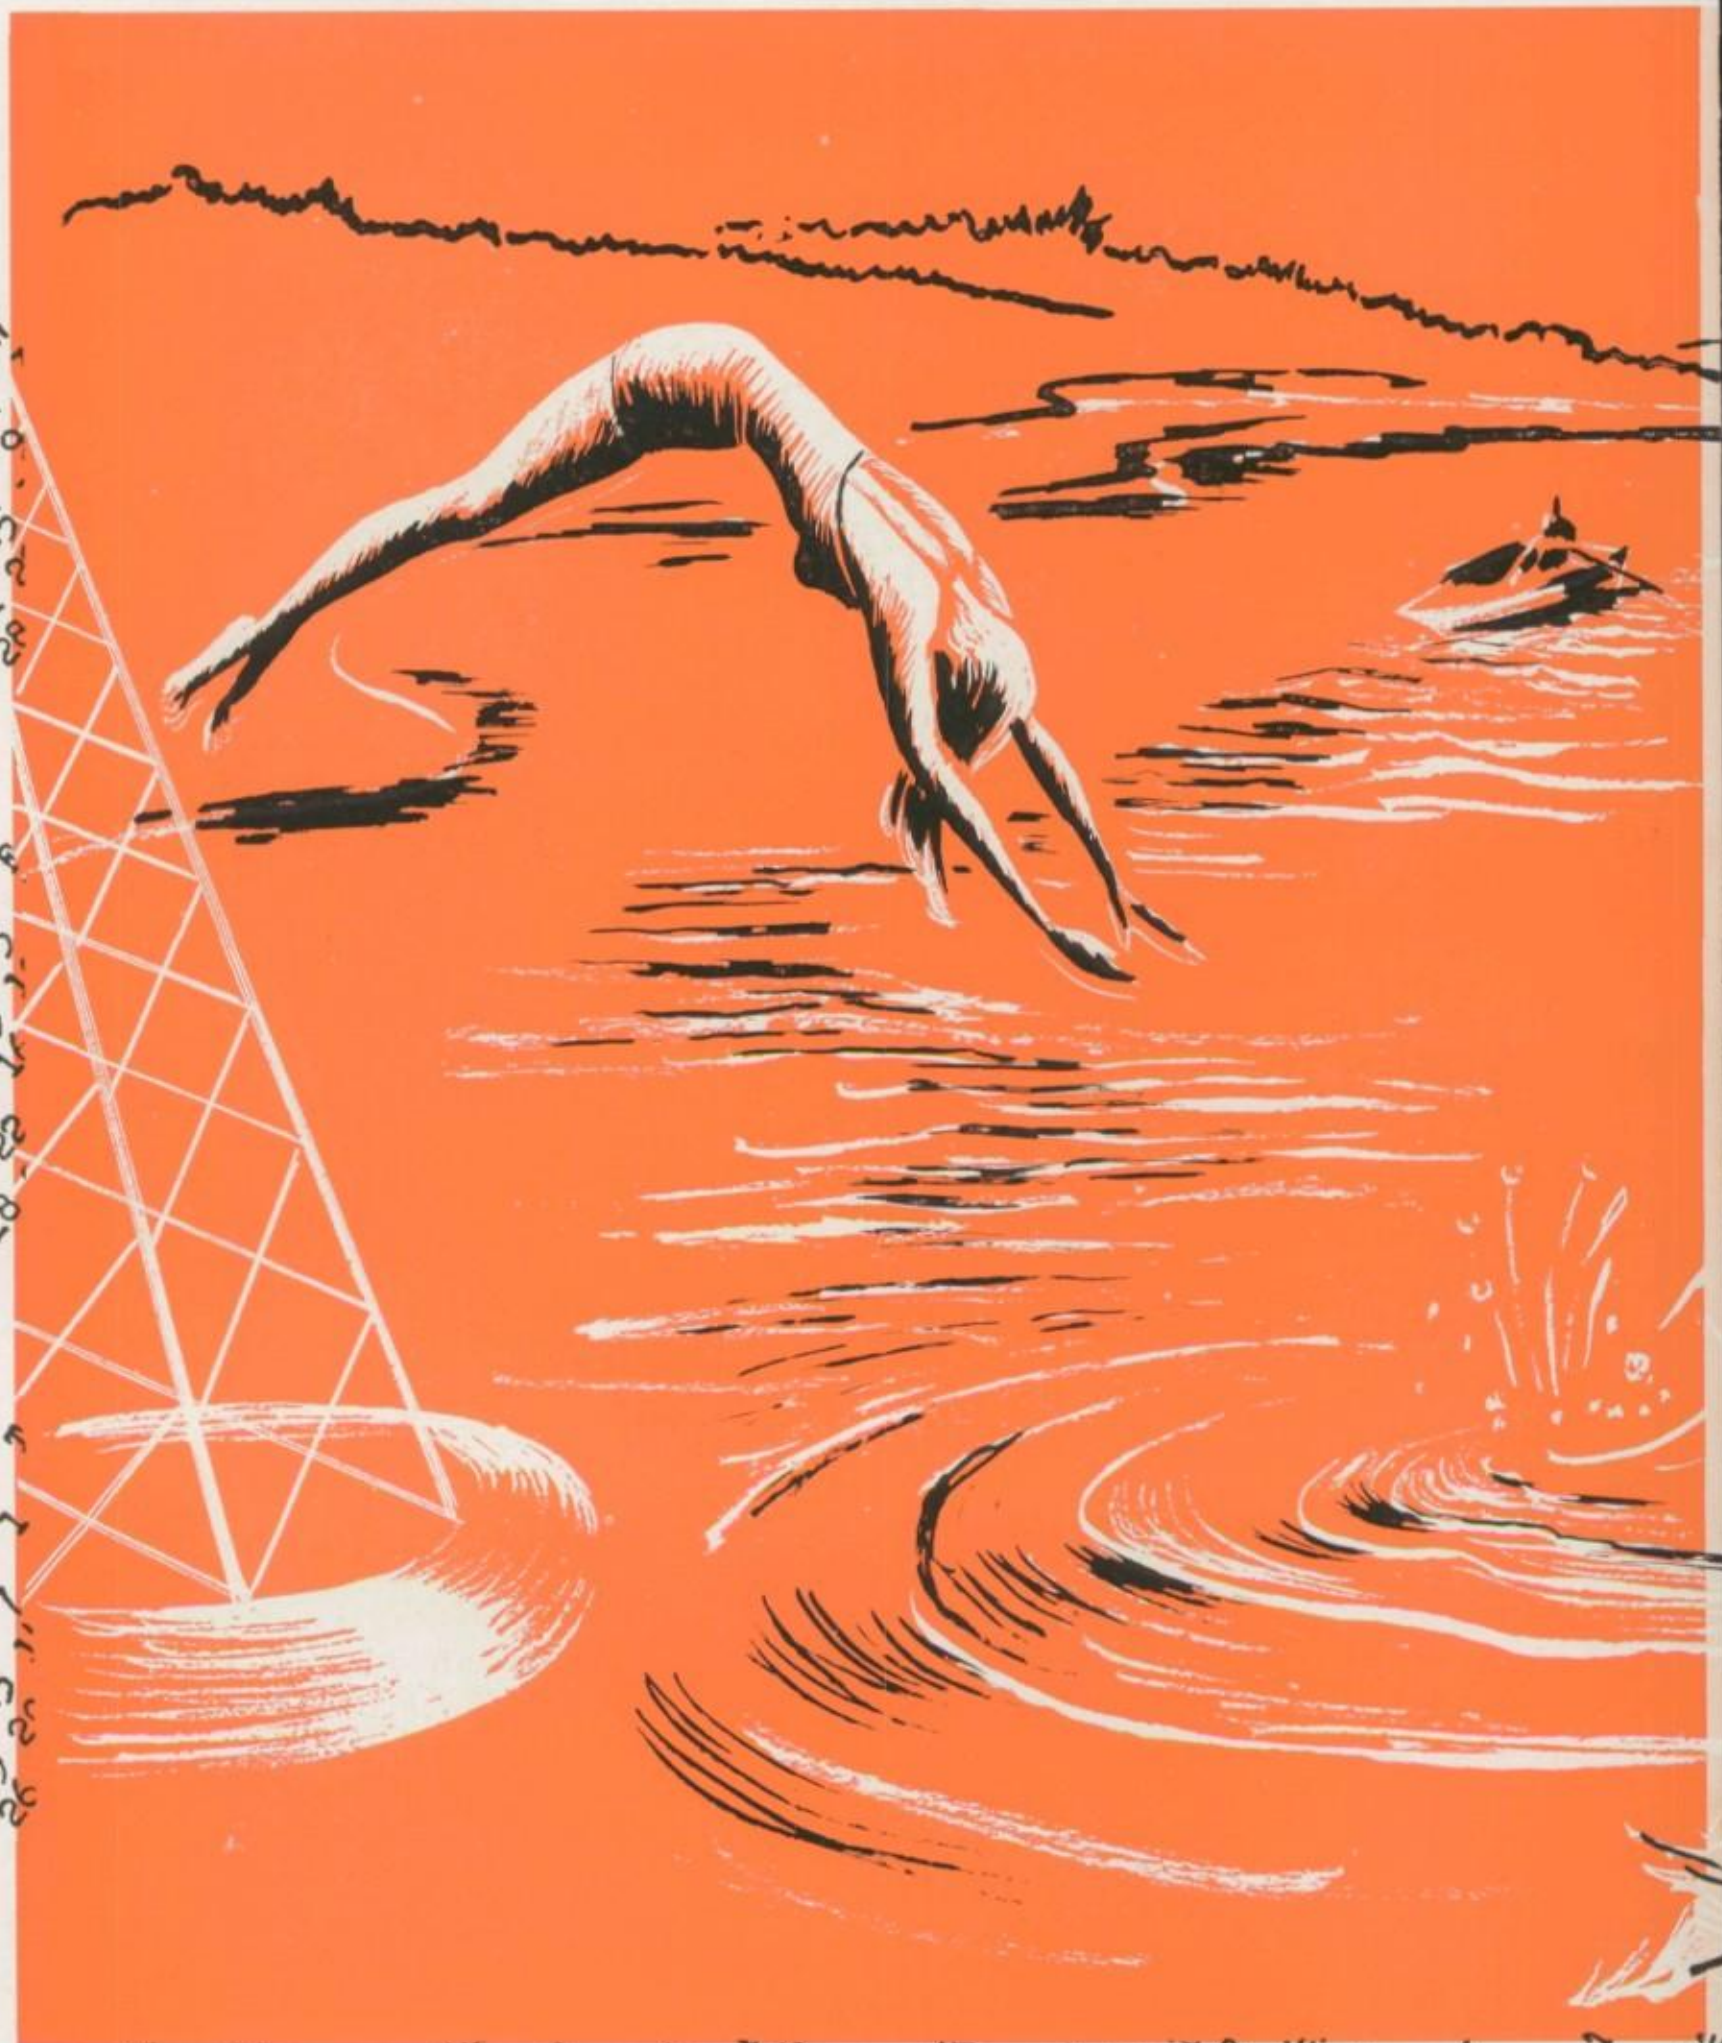

1946-47. Surviving the usual initiation we became full-fledged freshmen and lost no time in getting to work. Ours was the first freshmen class to be organized. Gilbert Davis was elected president, Ann Keafer, vice president; John Kubasik, secretary and Steve Magdelinic, treasurer. Mr. James Spory and Miss Mary Jane Bifano were chosen as advisors. In May, 1947 freshmen Ann Keafer and Donald Shortt were given the American Legion Awards for good Citizenship.

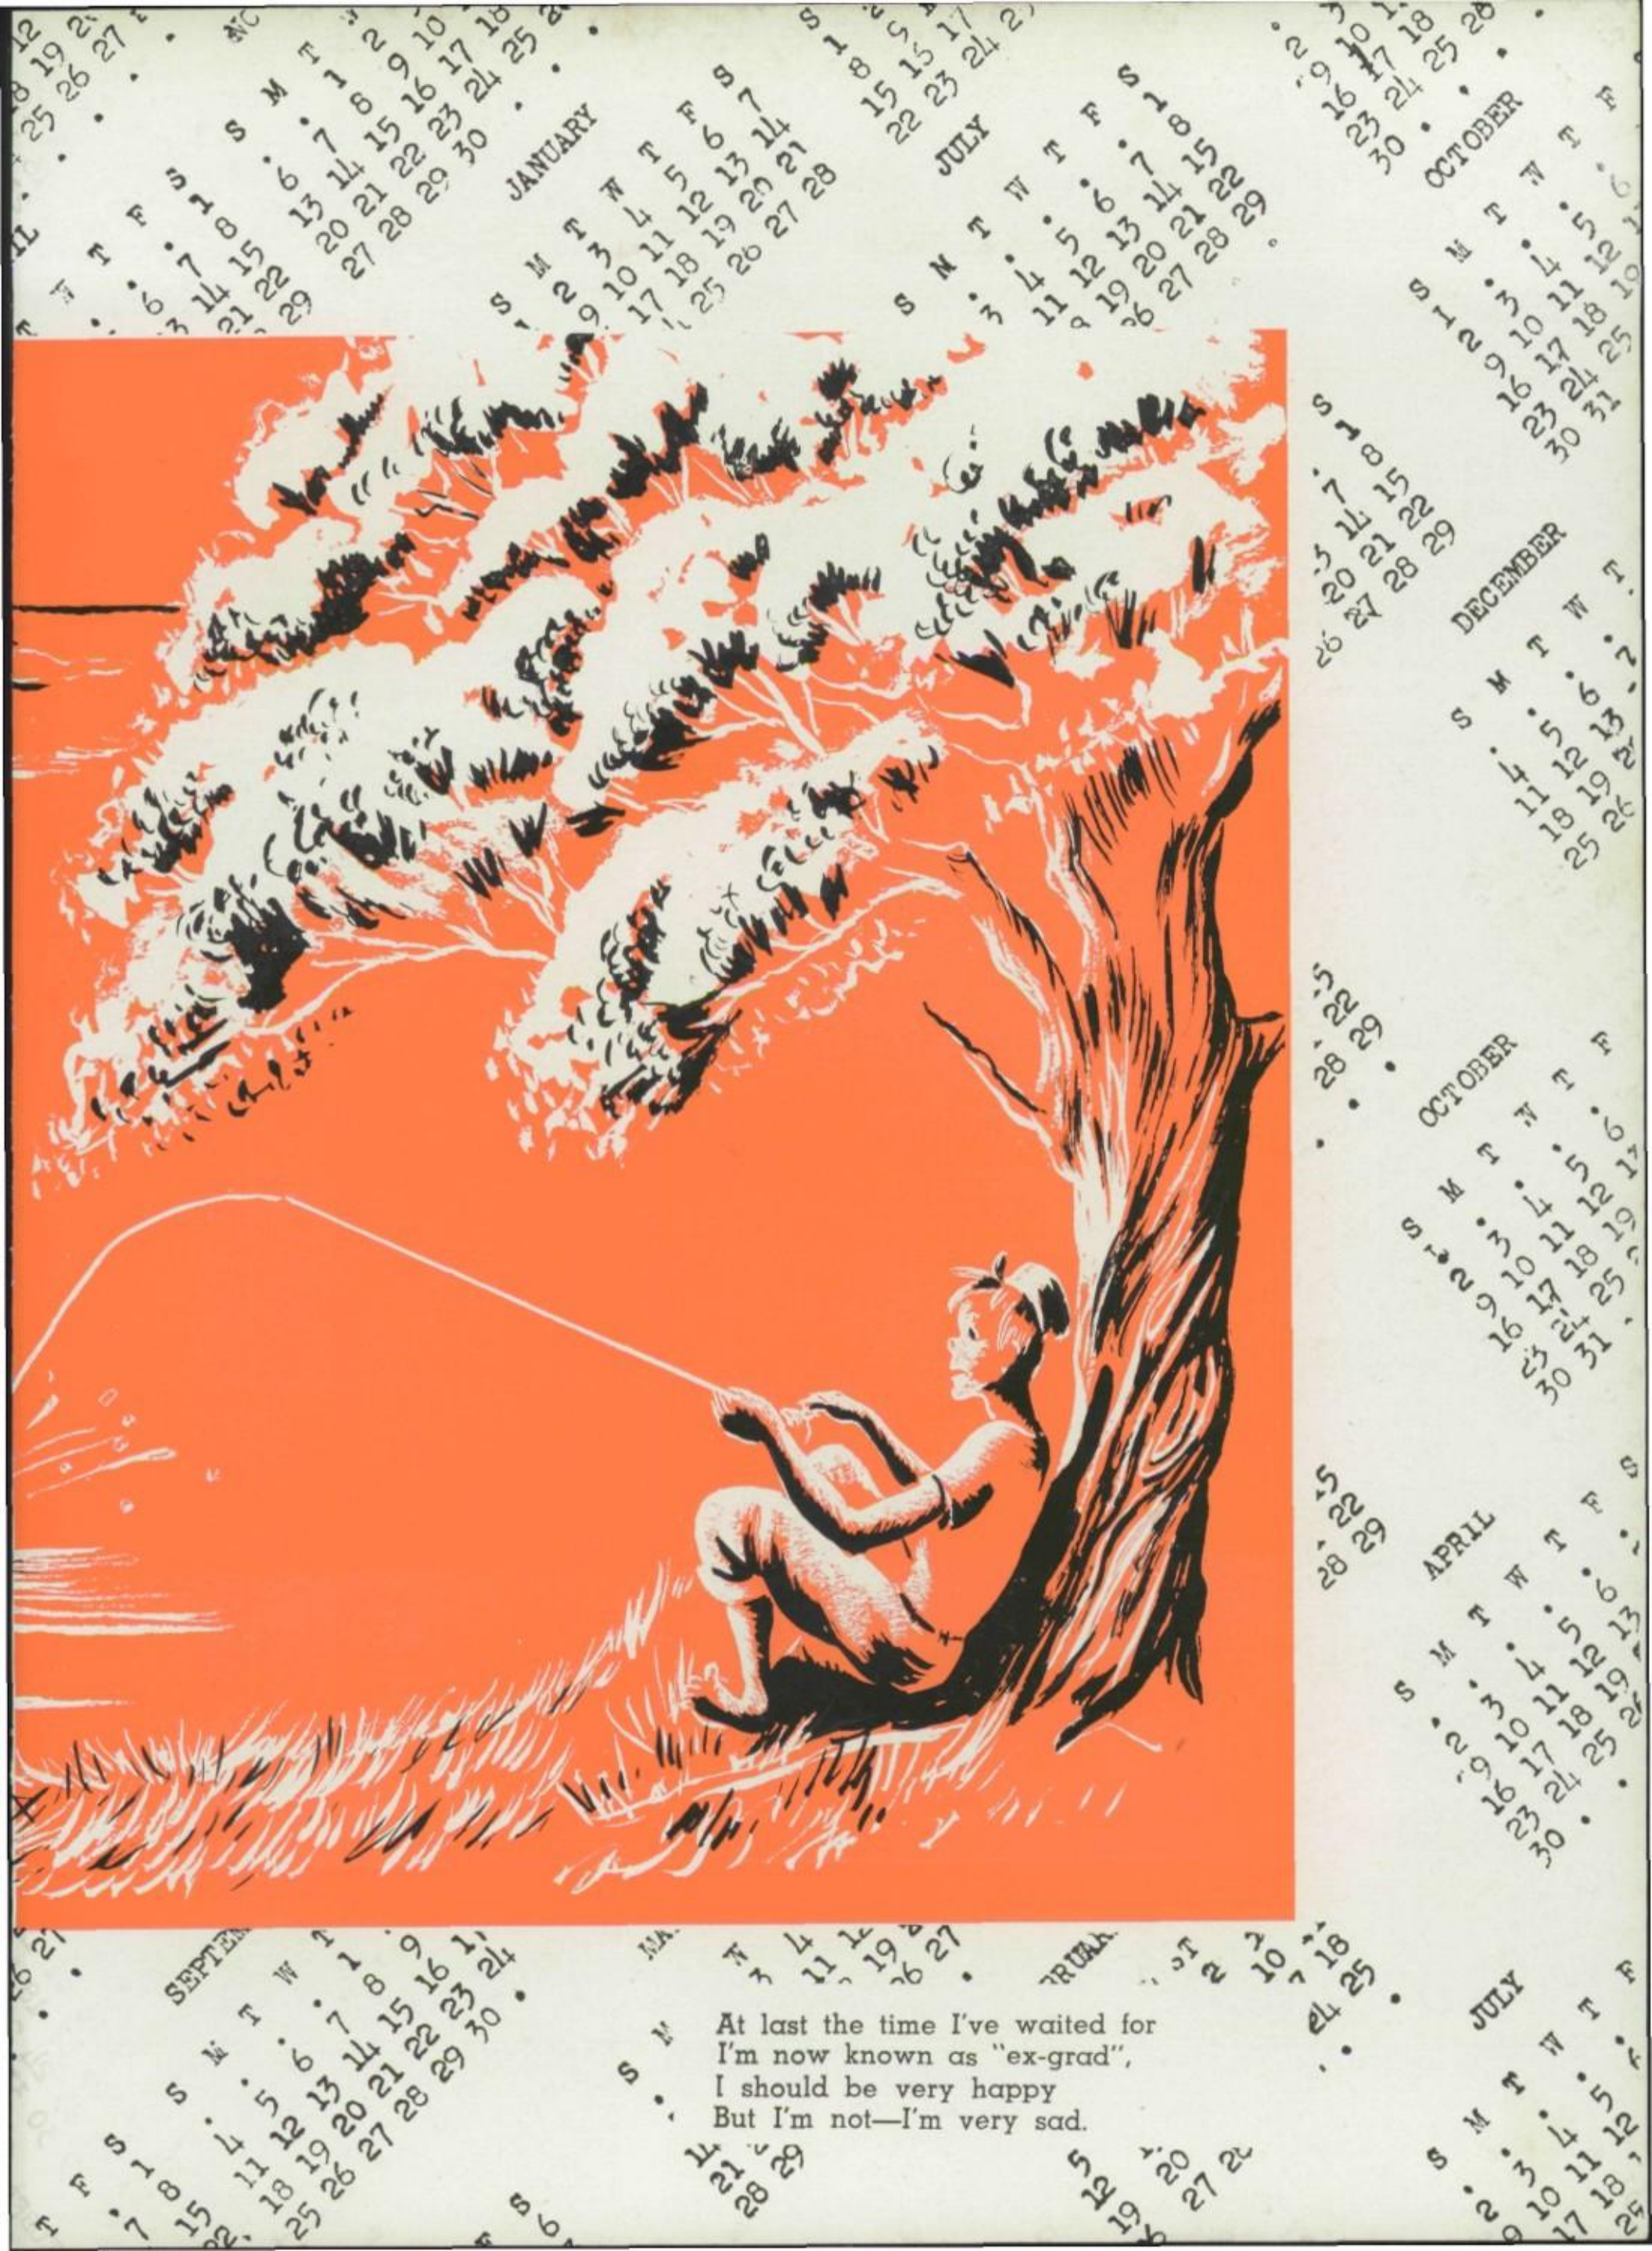

1947-48. Time slid on — we were now Sophomores. Although our activities were limited, we sponsored a skating party at which we gave a radio to the lucky door prize winner. Miss Ruth Hornick and Mr. Curtis Greninger replaced Mr. Spory and Miss Bifano as deans. Our Sophomore officers were: Gilbert Davis, president; Ralph Mlaker, vice president; John Kubasik, secretary, and Ann Keafer, treasurer.

1948-49. Our Junior year was the year which had many red letter days on our calendar. A few of the highlights were: November 19, the Junior Class presented the play "Dear Ruth" at which a large audience was humorously entertained. December 18—As a pre-Christmas snow fell, we were in a gay holiday mood, dancing to the music of the Swing Band at the annual Christmas Dance. February 18—A dramatic rendition of the play "Emperor Jones" starring Neal Taylor was given. May 7—With spring came the Junior-Senior Prom, which featured "Dreamland." This was the last big event of our Junior year.

1949-50. When August 29 rolled around we returned to the halls of Conemaugh Township High School for the last time. We chose new leaders for our Senior Class. Dick Foreback now became president, with George Harrison as vice president. John Kubasik became secretary and Ann Keafer, treasurer. Early in the term, lights and a fence were erected on the football field for the '49 gridiron season. Representing us for the Tribune All-Star Football Team were Anthony Cugini and Lockie Boyd. Also in the spotlight were Joyce Bockel, violinist, who appeared with the Hormel Girls' Chorus and Orchestra at McKeesport, and Mona Fish, vocalizing on the "Starlets On Parade" program. The class play, a comedy, entitled "January Thaw" was presented November 18, with leading roles played by Delores Negast, Marjorie Cochrane, George Harrison and Gilbert Davis. February 11, was the date set for the Valentine Dance when our class crowned Sally Chynoweth Valentine Queen. We also sponsored a skate March 25. As Seniors we were occupied with many activities, hardly realizing that the end of the term was approaching so swiftly. The prom, class day, baccalaureate and commencement occurred in rapid succession. Then we knew our time was up at Conemaugh Township High School.

June, July, August

At last the time I've waited for
I'm now known as "ex-grad",
I should be very happy
But I'm not—I'm very sad.
